## Blog Post

By Andrea Borondy-Kitts

The Rescue Lung Society Board is excited to open registration for the [Rescue Lung Society 2024 Annual Conference on Lung Cancer Screening](#) on Oct 25 and 26. The theme of the conference is Lung Cancer Screening Today and Tomorrow. We are going back to the beautiful Hyatt Regency Boston Harbor Hotel ([Explore the Hotel](#)) for the in-person meeting and we'll be hosting the conference virtually for those unable to attend in person. CME will be offered for the sessions.

We have a stellar line-up of topics, speakers and moderators. The [agenda](#) includes speaker and panel discussions on CT lung screening in clinical practice, CT lung screening quality indicators, stigma, screening criteria and addressing disparities, research, clinical trials and studies, cancer screening biomarkers and AI, and advocacy and legislative initiatives.
